

ABOUT US

SPORTS for Exceptional Athletes was founded in April 2007 by a group of coaches, parents, volunteers, and community members who found a need for a community based sports program for athletes with and without developmental disabilities in San Diego County. Many in the group have spent 10, 20, or more years serving the needs of persons with developmental disabilities.

*Team Sports - League Play

The year is divided into 'Sports Seasons' with team sports offering league play. League play consists of 10-12 week seasons of training and competition. Individual sports offer a season of training and skill building at weekly practices.

DIVISIONS

Divisions are available for various ability levels in team sports. The first few weeks of each season consists of training and putting together the teams for the divisions. Teams may be made up of athletes with developmental disabilities, families, friends, and others in the community who want to play on inclusive teams. Divisions consist of 4-10 teams playing a single or double round robin format. Teams are then seeded in a winners-losers bracket for final competition to determine final place awards.

TOURNAMENTS

Tournaments are available in both individual and team sports. Lunch and awards will be given to all athletes. Out-of-town teams will be invited to play in our San Diego tournaments and our teams will travel when out-of-town tournaments are available.

REGISTRATION FEES

The Registration Fee for the 8-12 week sports season is \$20 per sport (plus any practice use fees paid directly to the facility for individual sports). Registered athletes and coaches will have secondary participant accident coverage. A shirt will be given to all registered athletes and coaches during their first season.

The approximate cost per athlete per sports season is \$100 (equipment, facilities, practices, insurance, t-shirt, awards, league play, overhead, tournament, etc.). Donations are needed to cover these costs.

If an athlete is unable to pay a fee, financial assistance will be made available through SPORTS for Exceptional Athletes.
