Teams play basketball matches on Mondays from 6:30-8:30pm at Park de la Cruz (3901 Landis Street, San Diego 92105). Teams can stretch and warm-up at 5:30pm with pickleball. Pickleball runs from 5:30-6:30pm from Mar 17-May 5. The basketball matches start at approximately 6:30pm. **Athletes pick up their uniform at the beginning of the season and turn in their uniform at the last practice.** Volunteers that are playing on one of the teams will play their basketball match during one of the time-periods and will be a coach, scorekeeper, or referee during the other time-period.

The 1st team listed in the schedule is the home team (yellow uniforms). The 2nd team listed in the schedule is the visitors/guest team (green uniforms).

If there are enough players on each team in the B Division, C Division & D Division, then the 1st & 3rd quarters will be played by the lower ability players from the division, while the 2nd and 4th quarters will be played by the higher ability players. This will allow the lower ability players a chance to get more touches on the ball and more chances to score. **Volunteer players should be trying to get athletes as involved as possible since this is a sports program serving athletes with disabilities.** Everyone can play hard, but remember, we are all here to have fun!

In the C & D Divisions, the 2 teams in the division play each other every week. In the B Division, each week a different team plays both matches and every team will play every other team in their division 3-4 times in a round robin format. 2 points are given for a win & 1 point is given for a tie in round robin play. The tiebreaker rules are 1) Head-to-head record among tied teams, 2) Point differential among tied teams, 3) Point differential among all teams. Ribbons will be awarded after the completion of each game on May 5.

In addition to registering with S4EA, athletes must also register with the City of San Diego on-line with SDRecConnect.com using code 121340 for the spring season, or register at the first practice with SDP&R-TRS.
