Teams play basketball matches on Mondays from 6:30-8:30pm at Park de la Cruz (3901 Landis Street, San Diego 92105). Teams can stretch and warm-up at 5:30pm with pickleball. Pickleball runs from 5:30-6:30pm. The basketball matches start at approximately 6:30pm. **Athletes pick-up their uniform at the beginning of the season and turn their uniform in at the last practice.** Volunteers that are playing on one of the teams will play their basketball match during one of the time-periods and will be a coach, scorekeeper, or referee during the other time-periods.

The 1st team listed in the schedule is the home team (yellow uniforms). The 2nd team listed in the schedule is the visitors/guest team (green uniforms).

If enough players on each team in the B, C & D Divisions, then the 1st & 3rd quarters will be played by the lower ability players from the division, while the 2nd and 4th quarters will be played by the higher ability players. This will allow the lower ability players a chance to get more touches on the ball and more chances to score. **Volunteer players should be trying to get athletes as involved as possible since this is a sports program serving athletes with disabilities.** Everyone can play hard, but remember, we are all here to have fun!

In the B Division, teams play 1 game each week. In the C Division, the 2 teams play each other with a different B team each week. In the D Division, the 2 teams play each other each week. The tiebreaker rules are 1) Head-to-head record among tied teams, 2) Point differential among tied teams, 3) Point differential among all teams. Ribbons will be awarded after the completion of each game on May 8 which ends the spring basketball season. Summer season sports include soccer on Mondays, bocce on Tuesdays, and softball on Wednesdays.

The spring basketball season starts on Monday, March 20 from 6:30-8:30pm with stretching at 5:30pm and pickleball from 5:30-6:30pm. In addition to registering with S4EA, athletes must also register with the City of San Diego on-line with SDRecConnect.com using code [106233](http://SDRecConnect.com).
